HALIBURTON - ONTARIO

THURSDAY, DECEMBER 2ND, 1971

Established in 1882 as the
Minden Echo & Haliburton Recorder

Minutes Of November Session Of Haliburton County Council

Warden Roy Windover declared the November Session of the Haliburton County Council open for business at 2:00 p.m. on Tuesday, November 16, 1971, with 15 members being present.

Moved by A. L. Lock, seconded by R. Fotheringham, that the minutes of the Special Meeting of October 19th be adopted as circulated. Carried.

Reports of the Finance Committee and Correspondence Committee were accepted as presented, with the following resolutions arising from letters received: (1) Moved by A. L. Lock, seconded by J. Elder, that all grants to institutions requesting assistance be given through a County Grant, and that the Clerk-Treasurers of the municipalities be notified. Carried. (2) Moved by Chas. Brandon, seconded by M. McGillivray, that the resignation of R. E. Sims, County Road Engineer, be accepted, effective November 20, 1971, and that the Clerk write Mr. Sims thanking him for his valued assistance as County Engineer. Carried. Moved by V. Agnew, seconded by Roy Brohm, that the report of the Correspondence Committee be accepted as read. Carried.

Discussion ensued on progress being made on the A.R.D.A. programme, following the September motion that A.R.D.A. be requested to arrange financing for a Forestry Improvement Programme to create employment in the County during the winter months. Mr. Percy Swanson of the District Forester's Office in Lindsay addressed Council with an enlightening and encouraging report that 20 persons would be

hired within the next week, and an additional 40 men shortly. More financial assistance from government agencies is expected at the beginning of the year, and approximately 180 men will be given employment during the winter in the forestry projects arranged. Deer range management is the specific field being sponsored through the A.R.D.A. funds. Mr. Swanson also reported on conservation and the prohibition of snowmobiles in Algonquin Park.

Moved by Roy Brohm, seconded by Victoria Agnew, "As we are dependent on more winter business, and as the Hydro Line road from Haliburton Lake to Whitney — being one of the better snowmobile trails — being closed by the Department will create a slowdown in winter business, therefore, we, the Council, recommend that a protest letter be written to the Hon. Rene Brunelle with copies to R. Glen Hodgson and Hon. Leslie M. Frost." Carried.

Moved by Chas. Brandon, seconded by S. G. Nesbitt, that the minutes of County Council be submitted to the Haliburton County Echo and the Minden Progress as soon as possible after each Council session. Carried.

Mr. Gary Agnew, Chairman of the Health Committee, presented a report on that phase of operation, pointing out problems encountered by the Haliburton, Kawartha, Pine Ridge District Health Unit, particularly with the tremendous number of tile field inspections required in the past six months. In attendance at the meeting were Mr. J. Finlayson, Director of Inspection Services,

Cobourg, and Mr. R. G. Chartrand, Chief Public Health Inspector, Lindsay, both of whom elaborated on Mr. Agnew's remarks and discussed problems with plumbing representatives who were present.

The meeting was adjourned until Wednesday morning, November 17, at 10:00 a.m. when, in addition to Council members, it was attended by Mr. Robert Allison, District Municipal Engineer, with the Department of Transportation and Communications, Huntsville; Mr. R. E. Sims, County Engineer of Totten, Sims, Hubicki Associates, Whitby; and Mr. D. Jack Cox, recently appointed County Engineer from Queensville.

The Warden introduced to the Council members Mr. Jack Cox, who commences his association with the Provisional County of Haliburton on November 22. Warden Windover thanked Mr. Sims for the great benefits to the County received as a result of his personal concern and service during the past three years.

Mr. Sims presented the Third Report of the Standing Committee on County Roads, engrossing staff arrangements, Scott's Dam bridge, road maintenance, progress report on Development Road 912, with open discussion following. Mr. Sims reported that it has been endeavoured to engage as many local people as possible on engineering and survey projects where men were willing to perform the jobs required. All municipalities have been contacted with an outline for road maintenance, and it is hoped that everyone will accept the proposals in the beginning to get the system under way, and then iron out any difficulties which might arise. Moved by Chas. Brandon, seconded by G. Agnew, that the report of the Road Committee be accepted. Carried.

Moved by Robert Vick, seconded by Lloyd Walker, that By-Law No. 791, having been read a first time, and second time in Committee of the Whole, and carried, be read a third time, passed and signed, and the Corporate Seal attached, being a by-law for the purpose of confirming By-Law No. 71-15 of the Municipality of Dysart for the purpose of stopping up and closing part of Highlandwood Drive and the one-foot reserve shown on Registered Plan No. 405 of the Township of

(Continued on Back Page)

Eight Chosen For P.C. Meeting

LINDSAY (ENS) — Eight area residents will be representing the Victoria-Haliburton Riding at the forthcoming annual General Meeting of the Progressive Conservative Party in Ottawa.

Selected by the Riding Conservative Association were Kay (Mrs. John) Boyd, Bruce Boyd of the Y.P.C.'s, and John Boyd of Lindsay; Arthur Williamson of Omeenee; and Association President Murray Agnew of Wilberforce.

The meeting is December 4 to 8. Bruce Boyd, along with Walter A. E. (Bert) Hick of Lindsay, Allison Brandon and Dwight Thomas of Minden, will also attend the Annual Meeting of the Progressive Conservative Youth Federation, running December 3 to 6.

Bert Hick Jr. will be running for a position of Executive Vice-President of the junior group. He is President of the Victoria-Haliburton Young Progressive Conservative Association.

He said he intends to campaign on a platform of hard work, determination and dependability — "to help make our party the party for the people of Canada." (Peterborough Examiner)

Rash Of Accidents In Snow And Slush

The Minden Detachment of the Ontario Provincial Police investigated a rash of minor accidents over the weekend, with snow and slush a factor in most.

Cars driven by Alexander Watson, 33, of Minden and Andrew Jacklynn, 38, of Kitchener collided last Friday at the crest of a hill on the Brady Lake Road about eight miles north of Highway 35 in Minden Township. The damage was estimated at \$500 to the Watson car and \$250 to the other vehicle. O.P.P. Constable Dennis Potter investigated.

David Smith, 18, of 51 St. David Street, Lindsay, drove his car into a ditch on Friday evening last to avoid collision with a car he was attempting to pass. Both vehicles were northbound on Highway 35 about two miles south of the junction of Highway 121 when the car Smith had driven alongside in an attempt to pass started to make a left-hand turn. The Lindsay youth went onto the west shoulder of the road and into the ditch, his car striking a sign post and grazing a rock. Damage was estimated at \$300. O.P.P. Constable Dennis Potter investigated.

Total damage was estimated at \$400 in a two-car accident on the Peterson Road south of Highway

35 in Minden Township. Drivers involved in the Saturday mishap were David McPhail, 30, of R.R. 1, Haliburton and Murray Miscio, 17, of R.R. 1, Minden. Police report that the McPhail vehicle went out of control, striking the Miscio vehicle in the eastbound lane. O.P.P. Constable Brian Ladurantaye investigated.

A car driven by Allan Hubbert, 27, of Ottawa failed to negotiate a curve on Highway 121, went into a ditch and struck a tree. The accident occurred on Saturday afternoon about one-and-one-half miles north of the North Kashagawigamog Lake Road, resulting in an estimated \$250 in damage to car. O.P.P. Constable Robert Wood investigated.

Rena Newbatt of Haliburton was the driver of a car that collided with a bus driven by John Brohm, 36, of Haliburton last Saturday afternoon. Mrs. Newbatt, 34, and Velma Newbatt, 56, a passenger in the car, were treated for injuries at the Minden Red Cross Hospital. Police report the Newbatt car was attempting to pass the bus when it went out of control in the slush, struck the left side of the bus and rebounded across the highway and into a ditch, where it rolled over. The accident occurred on Highway 121 about two miles east of the junction of Highway 35. O.P.P. Constable Barry Connelly investigated.

NOTICE

About a year ago, in an advertisement, we stated that no more classified ads would be accepted over the telephone. This was prompted by the fact that we were having too many problems with the result that the advertisements would be taken incorrect. We are still getting telephone calls re classified ads, and we wish to inform all those desiring to use our classified section not to phone it in as we will not take their material. People wishing this service should submit their ads to us in writing.

The deadline is Tuesday at 6:00 p.m.

John Turner And Glen Hodgson To Share Office

It was announced recently by John Turner and Glen Hodgson, who have within days taken the oath of office as Members of the Ontario Legislature, that they will share office facilities in Room No. 103 of the North Wing in the main Parliament Buildings. Their Secretary will be Miss D. Somerville of Toronto, who previously had, as part of her work, the secretarial duties of Mr. Hodgson.

The telephone number for Mr. Turner and Mr. Hodgson will be (416) 365-4897.

Both Members will be in Queen's Park each week until the session is called.

Letters To The Editor

R.R. 1, Haliburton, Ontario.
November 26, 1971.

Mr. B. Feir,
The Haliburton County Echo,
P.O. Box 360,
Haliburton, Ontario.

Dear Mr. Feir:

I have a problem that I want to set before the people of Haliburton. Another meeting of the Hyland Crest Auxiliary has been and gone and once more not one person from Haliburton was present. To me this seems like an appalling situation as it is a well known fact that the greater percentage of the folk in the Hyland Crest Senior Citizens' Home come from Haliburton.

Your paper has been faithful to announce the meetings — just one a month. One of the local ministers announces the meetings from his pulpit from time to time. Most people have talked to express interest, until asked to come to a meeting — and some are amazed that no one does come. One reason given is that some don't drive. But then how do they get to their bowling and curling and other meetings? Do their husbands also not drive? This is not just a ladies' auxiliary; men are most welcome. At present we have two on our executive.

So what is the matter? Are the people in Haliburton so much busier than in the other communities? Are the people in the other communities more concerned for the welfare of our senior citizens? The situation has been brought

to a head as far as I am concerned by the fact that for a second time I have been on the nominating committee for the new executive. Once again it has been impossible to find some one to represent Haliburton on our executive. This last time especially, I have been hampered by my own convictions — I don't want just a name; I want someone that is coming out to the meetings. If they are interested enough to come to the meetings, then it stands to reason they will be interested enough to accept an office on the executive.

The ladies are co-operative when it comes to taking their turns for the weekly tea parties, so why not when it comes to planning other matters concerning the happiness of our senior citizens.

Yours truly,
Mrs. Eleanor Mason.
P.S.: The Auxiliary Christmas Party is Thursday, December 16, at 2:00 p.m.

To The Editor:

Why not give the Wilberforce Fire Department a pat on the back? We've been reading this paper for many years and we haven't once read a good word printed about the Wilberforce Fire Department.

They have given the town two valuable buildings and have put out countless fires. They are an entirely volunteer force who have done more good for our town than anyone else.

F. Saunders.

Wilberforce Elementary School Enjoy Lands & Forest Program

Early in October, Mrs. Harrison, Mr. Hoare and Mr. Hughes, the Principal, met with Mr. Hillis of the Ontario Department of Lands and Forests to work out details regarding the Lands and Forests making a series of presentations to the children of Wilberforce Elementary School.

Each class met with Mr. Hillis and his helpers for a total of five hours, broken into four sessions. These programmes included a study of the biotic pyramid as demonstrated on the side hill behind the school. Three excellent films were also shown, including one on the Pond Community and another on the Tree Nursery in Orono. Demonstrations using various wood samples, as well as aerial photographs, were also presented.

Both Mrs. Harrison in her Geography course and Mr. Hoare in his Science course have been able to relate much of the material presented by the Lands and Forests to their courses of study. Conservation and ecology were emphasized by both the men from the Lands and Forests and the teachers involved.

The staff and students of the Wilberforce Elementary School are indeed appreciative of the efforts of Mr. Hillis and his helpers in making this programme possible.

New Through Coach Service Between Toronto And The Haliburton Highlands

The Ontario Highway Transport Board has granted permission to Algar Coach Lines Limited to operate a through coach service between Toronto and the Highlands of Haliburton.

The new service, which will be operated in co-operation with Trailways of Canada Limited, will become effective on December 3, 1971. The service will be operating on Fridays and Sundays which are the peak travelling periods.

Permission was granted by the Ontario Highway Transport Board after a hearing on Friday, October 15, at the Board offices in Toronto. Mr. Art Ward and Mr. Ted Campbell represented the Haliburton Highlands Chamber of Commerce, appearing at that hearing in support of the application filed jointly by Algar Coach Lines Limited and Trailways of Canada Limited.

The new service will make it

possible for a passenger to board a bus in Toronto on Friday nights at 6:30 p.m. and arrive in Minden at 9:30 p.m. and at Haliburton at 9:50 p.m. No change of bus will be required in Lindsay. On Sundays a passenger can leave Toronto at 1:00 p.m., arriving at Haliburton at 4:15 p.m., or a passenger can leave Haliburton at 4:25 p.m. on Sundays and arrive in Toronto at 8:00 p.m., with no change of coach required in either direction.

Permission to operate this through coach service will result in a considerable saving of time and eliminate the inconvenience of changing buses in Lindsay for weekend passengers travelling between Toronto and the Haliburton Highlands.

It is hoped that this will make the Highlands of Haliburton even a more attractive tourist area for people residing in Toronto and area.

Haliburton Junior 'D' Huskies Win, Regain First Place Tie

The Haliburton Huskies are back again tied on top of the Central Ontario Junior 'D' Hockey League after defeating the Cannington entry twice over the weekend. These two wins, coupled with Lakefield's loss to Bancroft, put the Huskies back into the tie with the Lakefield club. The local Huskies, although not at their best this early in the season, appear to be the team to beat as they have been during the last two years.

Dennis Good has played five of the six games the Huskies have had so far this season, and he is sporting a 1.40 goals against average. Dennis set a Huskies club record on Saturday night as Haliburton defeated Cannington 7-0, this being the first time in the existence of the team that they have scored shutouts in two successive home games. The opposition has only scored once in three games on Haliburton ice.

The Huskies were never in danger of losing the game in Cannington on Friday night as they defeated the opposing team by a 5-2 score. Haliburton jumped into a first period 3-1 lead as Rick Dunsford scored the first goal for the Huskies at 2:40 on a pass from Bob Woodcock and four minutes later Rick Wood tallied from John Parish, and Bob Woodcock then scored at the 17:45 mark with Bev Hicks drawing an assist. Nicholson scored the only Cannington goal late in the opening 20 minutes. The play was fairly even but Dennis Good was the difference as he outplayed the Cannington goalie. Gerry McElwain increased the Haliburton lead at the 3:23 mark and then Roger Bain chalked up the Huskies final goal at 10:38. There was no more scoring in the game until Nicholson counted his second of the game with only four seconds remaining in the contest when the Huskies were a man short, and Dennis Good stopped two successive shots before Nicholson finally rapped the puck into the net in mid-air. The referees handed out 31 penalties in the encounter, with Haliburton drawing 18 of them.

Local PeeWees Tie Home Opener 3-3

The Haliburton Pee Wees played to a 3-3 tie in their first game of this hockey season last week against Fenelon Falls.

In the first period the Fenelon Falls team out-scored Haliburton 2-1 with James Phillips and David Handley scoring for Fenelon as Dwight Sisson counted for Haliburton from Joe Roberts. Each team scored one goal in the middle frame, Fenelon's goal by Len Warrell while Dwight Sisson notched his second goal from Andy Salvatori and Jerry Stevenson. The third period saw Haliburton tie the score on a goal by John Welburn, assisted by Ross Barry. The contest ended in a 3-3 tie.

Dale LaPorte, in goal for Haliburton, played an outstanding game as he made many key saves in the final minutes of the game.

The local Pee Wees have a new coach in Albert LaRue, and the manager is Len Salvatori and the trainer is Howard Roberts. These three men have a great interest in the boys and look forward to an exciting hockey season with the Haliburton Pee Wees.

Wilberforce Lose To Bancroft 8-5

The Wilberforce Lumberkings lost an 8-5 decision to Bancroft in the Intermediate 'D' hockey contest played on Saturday night in Wilberforce. In a close game, which saw eight penalties given to Bancroft and none to Wilberforce, the fans saw some excellent hockey action.

Scoring for the Wilberforce Lumberkings in this game were Bill Watson with two goals, and Bev Billings, Mike Easton and Bernie Olszewski each with one goal.

Wilberforce will next meet the Lakefield entry this Saturday night in the Wilberforce Arena. At this game the winner of the raffle will be drawn. A door ticket will also be drawn, and the winner will have a chance to win \$5.00 by shooting a puck from centre ice into a hole in the middle of the net. If the person doesn't shoot through the hole \$1.00 will be added each week until someone hits for the prize.

Gerry McElwain, who has had trouble getting the puck into the net, scored three goals on Saturday night in Haliburton to lead the Huskies to their impressive 7-0 shutout. Once again the game was never in doubt as Roger Bain opened the scoring at the 4:00 minute mark on passes from Hicks and LaPorte, with this goal standing until McElwain scored an unassisted tally at 15:38. McElwain counted his second of the night three minutes later as Carroll and LaPorte drew assists, and John Parish rounded out the first period scoring on a rink long rush that ended with a hard shot to the corner of the net. Bob Woodcock, who has been moved to the forward line in an effort to bolster the Haliburton scoring attack, notched the only goal of the second period, unassisted. Rick Wood scored in the first minute of play in the third period with Gerry McElwain assisting, and then McElwain counted his third tally of the evening at the 3:14 mark to round out the scoring.

The Haliburton Huskies are certainly on the move and appear to be a contender for another Ontario Championship. After the first three weeks of games the Huskies have played all the teams in the league and it seems to be a race between the Huskies, Bancroft and Lakefield for the league leadership. This week the Huskies

will play in Fenelon Falls on Thursday night and then the Lakefield club will be the visitors at the local arena in what will be a battle for first place on Saturday night. This week's contest against the Lakefield club is shaping up to be a good one as they are the only club that has beaten the Huskies so far.

HI-LITES: The Huskies have been presented with a purebred Husky pup from the Poole family that operate the Haliburton Lake General Store. The pup will be the official mascot of the Huskies, and there will be a "Name the Husky" Contest open for all public and secondary school students. Watch next week's Echo for details of this contest.

Chief Dan George Heads Up 1971 Christmas Seal Campaign

Chief Dan George, 71-year-old movie and television star, mailed his Christmas greetings to Canadians to officially launch the 45th Annual Christmas Seal Campaign. The Haliburton Tuberculosis and Respiratory Disease Association's 1971 campaign runs from November 1 to January 31.

The colourful sheet of Seals spells out the word "Noel" and the individual stamp designs depict the many visions of Christmas — an angel, holly wreath, candles, candy canes, snowman, toys, and of course a partridge in a pear tree.

Chief Dan George's ready acceptance of Canadian Tuberculosis and Respiratory Disease Association's invitation to head up the Christmas Seal Campaign is just another indication of his deep concern for humanity. The 71-year-old Canadian from the Burrard Band of North Vancouver who went from longshoreman to movie and TV fame lists among his many credits "How To Break A Quarter Horse", "The Education Of Phillistine" and "Little Big Man". He was voted Best Supporting Actor by New York film critics for his role in the latter. The chief has six children,

36 grandchildren and three great-grandchildren. His wife Amy passed away earlier this year.

Christmas Seals support year

round research and education in the fight against tuberculosis, emphysema, chronic bronchitis and other respiratory diseases.

Christmas Seals

We know the world isn't flat ... because of the explorers who have sailed around it, and by the pictures the astronauts have taken; and the landing of the astronauts on the moon has punched holes in that romantic myth of the man in the moon, and now we all know that the moon isn't made of green cheese either.

For most of us, logic overcomes fantasy, but when the holiday season rolls around each year — for however a brief moment — many of us become children again, believing in the magic of the season, Santa Claus, the

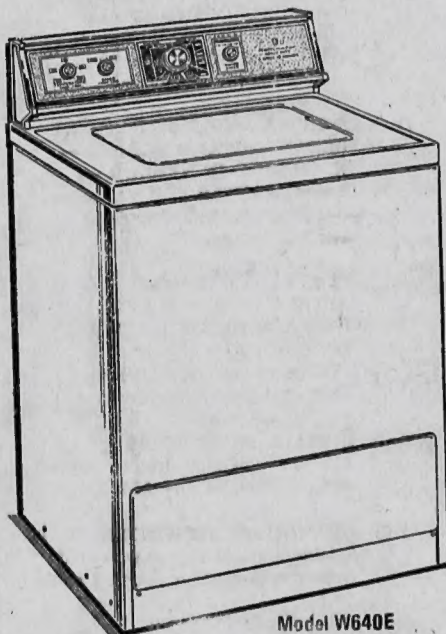

hanging of stockings, and all the other warm and wonderful traditions of Christmas. One such tradition that started with faith and hope — over 65 years ago — is the use of Christmas Seals. And today they're very much not only a part of the holiday scene, but also a vital force behind the year-round work in the fields of emphysema, tuberculosis and air pollution. Please use Christmas Seals generously. Wish everyone good health with Christmas Seals.

Your Christmas Seal association considers it a matter of life ... and breath.

FINDING COMFORT IN A DUCK BLIND

"November glooms are barren beside the dusk of June." Thus quoth the poet Henley. And I say too ruddy true. As a general rule.

But this year has been an exception. I don't think I've ever written a decent word about November, with its "surlly blasts", its sudden, depressing dumping of snow, its bleak and sterile look.

I know we're going to pay for it with a terrible winter, but this November, for the first time in many years, we've been ushered into winter with a gentle melancholy that seems unbelievable.

By the time this appears in print, we may be up to our noggins in snow. But credit where it is due. The first few weeks of November this year, in these parts, have made me decide to give this country and its crazy climate one more chance.

It's almost as though God had held up his hand as the four winds were on their mark, cheeks puffed, ready to give us the usual, and boomed, "Hold. The poor devils are having enough troubles of their own making. Let's give them one November to remember."

Normally, November is the most dismal month in the year, with the possible exception of March. But in the latter, at least the days are getting longer and there's a wild hope that spring may come again.

Normally, November means many things, none of them pleasant. Darkness comes early. There is a wild scramble, for many of us, over snow tires and storm windows. There is bitter wind ashore and terrifying storms on the water.

It's been a grand November for the hunters and trout fishermen. Perhaps not so good for the deer hunters, with little snow. But for the duck and partridge boys, and the rainbow anglers, it has been near perfection.

Day after day of mild, almost balmy weather has done away with the agonized squat in the duck blind, with nothing between

you and certain death from exposure except the flask of rum. The same weather has made trout fishing, usually undertaken in a biting wind with half-frozen fingers, practically a Sunday School picnic.

Even the golfers has been able to stretch the season by at least a month. The only danger they face is exhaustion from golfing in the day and curling at night.

Normally, the squirrels would be getting set up for the winter. I look into the backyard and they're gambolling as though it were mid-June.

Surest sign that it's been a November without peer is the behaviour of our cat. As a rule, when November arrives, with its wind and rain and snow, she has to be hurled bodily outside. This year, she has actually been going to the door and asking out.

I haven't seen any bees, but there are still a lot of crazy birds around who have been baffled by the weather, and are going to be caught with their pants down one of these days.

And they're not the only ones. Many a man like myself has been lulled into a false sense of security, hasn't his storms on, hasn't changed to snow tires, hasn't even turned off the outside water, and hasn't a clue where his winter boots are.

Oh, there'll be a day of reckoning, all right. My bones warn me. But to heck with it. I'm going to live dangerously and enjoy every day of it.

And to prove it, I'm going to write my first, and probably my last, ode to November.

Much-maligned
November,

This year you've been
my friend,

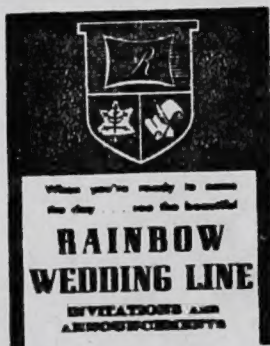

Don't quite know how
to prove it,

But you've shown you
can groove it.

No way are you
September,

But you're one I'll long
remember.

Isn't that beautiful?

The Nation's Business

By WILLIAM C. SCOTT, M.P.

When the House of Commons began debate on the Government's Omnibus Tax Reform Bill in early September of this year, Robert Stanfield, Leader of the Opposition, called upon the government to split the Bill and allow parts of it to become law while the rest was being fully debated.

Mr. Stanfield said that the Bill was too complex and much too sweeping for it to be allowed to go through the House until it had been debated clause by clause, and until it had been amended to eliminate some of its more restrictive provisions. A few days ago, after two months of debate, Mr. Stanfield repeated his request to have the Bill divided into manageable parts. This time, his request was based on experience gained in debate, indicating that most of the members of the House were having difficulty understanding many of the clauses, and the knowledge that even the government members were becoming disenchanted with the Bill.

There is a general consensus in the House that the Minister of Finance and his experts are confused about some portions of the tax bill, and Mr. Stanfield stated that this was just one more example of the Trudeau Government's confused state of mind. He said that it would be dangerous to try to meet the Government's deadline of January 1, 1972, for implementation of the Tax Reform Bill. And, he repeated his

demand that the provisions in the Bill, allowing tax exemptions and other benefits to the underemployed, be approved and implemented without waiting for the full Bill to pass the House.

This seeming confusion on the part of the Government can be seen in other actions and statements by Ministers, and, recently, it could be seen in a carefully prepared statement delivered by the Prime Minister on the question of language and cultural rights of Canada's minority groups.

In answer to a request from the Ukrainian-Canadian Association as to why they did not have the same language rights as the French Canadians, the Prime Minister skirted the question by delivering a policy statement regarding the guarantee of cultural rights for all nationalities in Canada with a significant number of adherents.

One wonders whether the Prime Minister considered the wisdom of his policy statement, or whether he simply seized upon the first available avenue of escape from the controversial language issue. Some fundamental facts concerning cultural rights should have been available to the Prime Minister, and it is surprising and disturbing that he did not take them into account.

In the first place, cultural rights of Canadians of all races have never been in jeopardy. Those rights have been carefully guarded by the minorities themselves, and have been preserved down through the years by clubs, associations, and other cultural and social groups reflecting the cultural origins of ethnic groups that make up our population.

German, Italian, Ukrainian, Polish, Irish, and other ethnic groups have their clubs and associations to preserve their cultures at the same time that they are involved in the mainstream of Canadian society. The French Canadians have their own societies, such as the Richelieu Club and St. Jean Baptiste Society. There has never been a law against ethnic associations, and there has never been any public antipathy towards such societies. In fact, they have flourished in our society.

The Prime Minister has not yet explained why it is necessary to spend hundreds of millions of dollars to extend the use of the French language to every area of Canadian life in order to preserve the French 'fact' in Canada. An explanation is long overdue, because of the effect of the programme on the Public Service of Canada, and because of its effect on the very efficiency of our government. The language programme has wiped out most of the gains made in the past 100 years in bringing French and English speaking Canadians together, and this is a tragedy of major proportions.

In the matter of tax reform, the languages programme, elimination or easement of unemployment, economic recovery, and other important questions, the Trudeau Government appears to have lost its way.

26 November, 1971.

Canada Works

You can be a moving force in creating jobs for Canadians.

Canada works when Canadians get involved together. So the Federal Government is putting 498 million dollars to work, through a series of specific programs, to help create jobs for Canadians.

CANADA WORKS WITH YOU

You're a major force in making the program work. We're counting on you, either on your own initiative or through your community groups, to come up with ideas for the Local Initiatives Program. For example, you may have a social service project or an idea such as a cultural program, improvements to substandard housing, assistance to the handicapped, or others that create employment and make your community a better place.

The Training-on-the-Job Program will expand opportunities for training for those who are unemployed or have little work experience, and will work through business and industry.

For those with some basic work experience, the Canada Manpower Training Program has been extended to help provide additional learning.

CANADA WORKS WITH BUSINESS AND INDUSTRY

A program of tax credits or direct payments to employers encourages them to add trainees to their staffs through the Training-on-the-Job Program.

CANADA WORKS WITH MUNICIPALITIES

The Local Initiatives Program will help municipalities create additional jobs through worthwhile community projects. Provincial governments will work with municipalities to use this program to support and spur community projects.

CANADA WORKS WITH THE PROVINCES

There's a Federal-Provincial Employment Loans Program designed to create jobs

by financing additional capital works projects throughout Canada. We'll be speeding up the program of the Central Mortgage and Housing Corporation to get more homes, student housing, and sewage treatment projects under way.

Loans will also be made to exhibition commissions, boards and associations to get people working on multi-purpose fair and trade buildings.

CANADA WORKS WITH FEDERAL PROJECTS

There will be more job opportunities in expanded maintenance and improvement activities on Federal buildings; transportation facilities; forest and park projects; and many others.

WHERE IT ALL WORKS TOGETHER

It starts at your Canada Manpower Centre. For advice and assistance on any of the programs you feel apply to you or your community, contact your local Canada Manpower Centre. They'll be happy to help you.

When Canadians get involved together, CANADA WORKS.

CHURCH NEWS

BLEAK PICTURE PAINTED OF CHURCH'S SUPPORT IN LINDSAY PRESBYTERY

A United Church of Canada head office official pulled no punches as he painted a bleak picture of the church's outreach support in Lindsay Presbytery. "About 4,000 people in this presbytery are just going along for the ride," declared Thomas A. Knott, Field Secretary of the Church's Stewardship Services Department, speaking at the Presbytery meeting in Minden last week.

Mr. Knott said that in 1971 the church is down half-a-million dollars in its Mission and Service Fund across the nation, which will seriously curtail some work within Lindsay and neighbouring presbyteries. Many people, he said, support the local work of their own church, but never give a penny towards outreach and thus are "hitch-hikers".

Acknowledging that he was "treading on hallowed ground", Mr. Knott suggested that many charges have large bequests "lying fallow" and helping no one. He urged such charges to take a good hard look at world needs, and then at their own stewardship attitudes.

"It takes \$145.00 now to do the work \$100.00 did in 1965," he said. He saw the church's role today as especially critical in an era of widespread pornography, drug abuse, and the breakdown of reasonable authority. However, the church's base must be broad-

ened, he declared, pointing out that 96 per cent of the church's income is spent on the English-speaking nine per cent of the world.

"Our biggest difficulty," he said, "is lack of enthusiasm for the things we profess to believe. We must remember that God's ministry is a ministry of interruption . . . always being interrupted by people with needs."

Lindsay Presbytery has established a cassette tape library, with cassettes covering various aspects of the church's work and special messages for festive occasions such as Easter and Christmas. Mrs. Edna Spence of Cambridge is Librarian.

FUZZ PRIEST TO VISIT HALIBURTON

The Reverend D. W. Hall will be guest preacher in the churches of the Anglican Parish of Haliburton this Sunday, December 5. Father Hall is the Police and Court Chaplain for Metro Toronto and is also rector of the Parish of Saint Dunstan in the middle of one of the Italian districts in Toronto.

Father Hall is an example of many men who have been ordained for their ministry in the church after years of successful trade and business experience. He spent eight years at his basic trade of architectural drafting and building construction. He also served on the Metro Toronto Police force for five years. Eight years ago he was ordained Priest

of the Church.

He has served at Saint Andrew's Church in Scarborough and at Saint Peter's Church in Cobourg. He has been Visiting Chaplain at the Don Jail in Toronto and at the Kingston Penitentiary as well as Chaplain at the Durham and Northumberland Jail.

Father Hall, known by many as the Fuzz Priest, is in his sixth and final year at the University of Toronto where he is studying Criminology and Criminal Law.

His work brings him into close contact with the people who, through their brushes with the law, are crying for the sort of help Christians ought to give to each other. One indication of the extent to which Father Hall is tied to his work is that he lists as a hobby the fact that he tours police departments in major cities across Canada and the United States.

Reverend Frank Ford, Rector of the Parish of Haliburton, has known Father Hall for some years. "When Doug is out of jail," Frank told us, "he enjoys carving wooden religious figures."

Father Hall and his wife have two girls, aged eleven and four.

JESUS' LIFE ON EARTH

In harmony with God's purpose for blessing men of faith, the due time arrived for this heavenly son of God to become a man on earth. This required a miracle of God. Jehovah, by his holy spirit or active force, transferred the life of Jesus from heaven to the womb of a Jewish virgin girl named Mary. Announcing this to Mary in advance, the angel Gabriel said: "Holy spirit will come upon you, and power of the Most High will overshadow you. For that reason also what is born will be called Holy, God's son." — Luke 1:35. It was well within the power of the Creator to do this. Certainly, the one who formed the first woman with the ability to produce children could cause a woman to conceive a child without a human father. God himself being directly responsible for the life of the child. This child, Jesus, was not God, but God's son. He was a perfect human, free from the sin of Adam. How was that possible? Because, as the angel said, the "power of the Most High" was responsible; it even guided his growth while in the womb of Mary.

As foretold centuries before, Jesus was born in King David's city, Bethlehem of Judea (Micah 5:2). He lived with his mother and foster-father Joseph, working at the trade of carpentry until he was about thirty years of age. Then God's time came for him to do other work. So he went to John the Baptist to be baptized or dipped completely under the waters of the Jordan River. This showed that he was presenting himself to God to carry out the work that Jehovah had sent him to earth to do. By submitting to baptism Jesus set an example for all who exercise faith in him, and later he commanded that all who became his disciples should be baptized — Matthew 28:19,20.

However, something else happened to Jesus at the Jordan. The heavens opened, God's spirit came upon him, and Jehovah himself spoke from heaven, saying: "This is my son, the beloved, whom I have approved" (Matthew 3:16,17). There was no mistake about it; this was the one whom all God's prophets had foretold! There at the Jordan, by means of Holy Spirit, Jesus was anointed by Jehovah to be the foretold high priest, the king of God's kingdom, and to preach while here on earth (Luke 4:16-21). There was work for him to do.

For three-and-a-half years he preached God's Word throughout the land, and he taught his disciples to do the same. As Luke 8:1 says, "Shortly afterwards he went journeying from city to city and from village to village, preaching and declaring the good news of the kingdom of God. And the twelve were with him." True Christians today follow Jesus' example and go from house to house and village to village telling others about God's kingdom. Though others in Jesus' day superstitiously avoided using the personal name of God which is Jehovah, Jesus did not hold back from making it known (John 17:26). He always spoke the truth

whether it was popular or not. In what he did he provided an example that we should follow if we want to please God.

Ray Zwidayk,
Haliburton, Ontario.

UNION OR UNITY

Listen to Paul as he wrote to the Corinthians: "Now I beseech you, brethren, by the name of our Lord Jesus Christ, that ye all speak the same thing, and that there be no division among you; but that ye be perfectly joined together in the same mind and in the same judgment." (1 Cor. 1:10). How in the name of heaven can men teach conflicting doctrines and answer the prayer for unity which Christ prayed and speak the same thing; having no divisions as Paul commanded? I boldly state without fear of contradiction that it cannot be done. Men today have confused union with unity. Those involved in the so-called ecumenical movement achieve a form of union but never unity. We can never be united until all of us are willing to accept only God's Word as our authority, without addition or subtraction.

Again, I affirm that the religion of Christ does not change, but man-made religion does because his creeds, disciplines, manuals, and catechisms are constantly changing. All we have to do to know this, is pick up a daily newspaper and read of the changes. In my study I have practically all of the various creeds and catechisms of different denominations and every one of them have been changed. New editions are constantly coming off the press. I am thankful to God that I do not have to go to a human creed to find out what I can believe. The only creed I want is the Bible. The Word of God is able to save my soul if I obey it, and the creeds and catechisms of men can only cause division and strife.

Evangelist Jerry Sayre,

Carnarvon News

We are sorry to report that Dianne Thomas is in St. Michael's Hospital in Toronto for tests. We all hope that Dianne will soon be well again.

Mr. and Mrs. Hal Burton were in Oshawa for the weekend.

Mr. and Mrs. Ed Minaker are spending some time in Toronto.

Our deepest sympathy is extended to Mrs. Syd Barnes and her family in the passing of Mrs. Barnes' father in Guelph.

**RED CROSS
IS ALWAYS THERE
WITH YOUR HELP**

Minden News Notes

Those residents at the Hyland Crest Senior Citizens' Home in Minden who enjoyed birthdays last month included Maude Burns, Gladys Dennis, Jane Fairfield, Pearl Elstone and Sarah Tolson. Belated good wishes go to all these ladies.

Last Friday many persons enjoyed the Luncheon-Bazaar held at the United Church Hall in very attractive surroundings, and in the Christmas spirit many articles for gifts and also home baking were purchased.

At the Mini Card Party held at St. Paul's Parish Hall last Thursday the winners were: cribbage - Jean Roberts and Peggy Brown, euchre - Ruby Windsor and Audrey Dunn. More men euchre players are needed to come out and give the ladies some opposition. Don't forget Thursday at 1:30 p.m., and you will enjoy the cup of tea after the games too.

Patients at the local Minden Red Cross Hospital on Monday included Mrs. Elsie Harrison, Mrs. Sheila Osmond, Mrs. Carrie Vasey and Mr. Norm Maidens. In

hospitals out of town are Miss Judy Stevenson, Fin Berry, Mrs. Lena Toye, Mrs. J. Moszko and Diane Thomas. Good wishes go to all these persons for a speedy recovery.

Mrs. Harry Welch left last weekend for a visit with the Ron Welchs at Frankford, and then on to Florida to spend some time with her son Gerald.

Mr. Gerald Coulter of Toronto was a weekend guest with his parents, Mr. and Mrs. Angus Coulter.

Mr. and Mrs. D. McClellan are away visiting with his son and his family at Cape Cod for a month.

There were over twenty people from the County in attendance last Wednesday afternoon for the first get-together of the Leisure Hours Club. There were some people playing cards, shuffleboard and carpet bowling for the active persons. This club hopes that many more persons will come out and enjoy an afternoon of fun and games. There was no committee formed as yet - maybe at the next afternoon, Wednesday, December 8, with the time being 2:00 o'clock at the Hyland Crest Auditorium for anyone 60 or over.

Last Tuesday there was a small exchange of books at the local Library as Miss Cathy Sisson of the Haliburton County Library staff and Ron Boyce of Regional brought 100 adult fiction, 50 juvenile non-fiction and also 25 picture books from the Dorset Library in this rotation. Mrs. William Moore, new Regional Director from this County, the local Librarian, and Mrs. Sisson (Cathy's mother) were also there and joined in a coffee break.

Mr. and Mrs. Fred Wright have just returned home following a visit with their daughters and their families, the Ted Johnstons and the Charles Zanations.

Lochlin News

Mr. and Mrs. Will Dugan enjoyed a visit with Mr. and Mrs. Wilbert Archer of Blackstock last Monday.

Mr. and Mrs. Phil Fuhr were recent visitors to their farm here.

Mrs. Jim Dugan, Mrs. Guy Bloomfield, Mrs. Ron Little, Mrs. Sandy Gilbert, Mrs. Carl Dugan, Mrs. Russell Burk, Mrs. George Exon and Mrs. Murray Wruth attended a quilting at the home of Mrs. Will Dugan last Wednesday.

Sympathy is extended to the family of the late Mr. William Eastman, who passed away last Monday. The funeral service was held on Thursday afternoon, with interment in Ingoldsby Cemetery.

Mr. and Mrs. Russell Hutchinson and family of Bowmanville spent the weekend with Mrs. George Exon.

A speedy recovery is wished for Mrs. Virna Wagg, who is confined to a Peterborough hospital.

Mr. and Mrs. Carl Dugan were recent visitors with Mr. and Mrs. Bill Davis of Oshawa.

A large number of ladies gathered at the Community Hall on Friday evening to honour Miss Jeannie Warder with a Bridal Shower.

Mr. and Mrs. Boyd Scheffee and family of Haliburton spent Sunday afternoon with Mr. and Mrs. Guy Bloomfield.

Mr. and Mrs. Russell Burk visited last Wednesday evening with Mr. and Mrs. Ted Peacock of Gelert.

Miss Helen Burk, accompanied by Mr. and Mrs. Neil Burk and Andrea, spent the weekend with relatives in Oshawa.

Mrs. Harry Burk and Mrs. Jim Burk called on Mrs. Russell Burk last Wednesday afternoon.

Get well wishes are extended to Dawn Leeanne Wright, who is a patient in the Peterborough Civic Hospital. We hope she is soon home and feeling fine.

Mr. and Mrs. Gerald Hicks and Roger were visitors to Little Britain on Saturday.

Mrs. Grace Simmons and Mrs. Wilf Hancock were visitors to the community on Monday and enjoyed lunch with Mrs. Russell Burk.

Master Bev Hicks accompanied the Haliburton Huskies hockey team to Cannington on Friday night.

Mrs. Ralph Young of Gelert spent one day last week with Mrs. Russell Burk.

Miss Jean Warder of Peterborough spent the weekend with her mother, Mrs. Ernie Warder.

Master Andrew Burk spent the weekend with his grandparents, Mr. and Mrs. Russell Burk.

Mrs. E. Knight visited on Sunday with the Warders.

HALIBURTON, ONT.

Tory Hill News

Mr. and Mrs. Clayton Gill and Lisa of Lindsay and Mr. and Mrs. Doug McElwain and Nancy and Janet, also of Lindsay, visited with Mr. and Mrs. Allan Gill on Sunday.

Mr. and Mrs. Walter Riel and Robert were in Toronto on Saturday to see Blair. We are very happy to report that Blair was to be transferred to the Lindsay Ross Memorial Hospital this Wednesday.

Mr. and Mrs. Ray Riel and Cindy of Lindsay and Mr. and Mrs. Gordon Riel of Gooderham visited with Mr. and Mrs. Walter Riel on Sunday.

Mrs. Evelyn Anderson and Mr. Ross Anderson Jr. were in Peterborough one day this week.

Mr. and Mrs. Atkinson have an increase in the family as they have a baby pig for a new pet — "Susie", not Arnold.

Mr. Ross Limerick has a new truck to sport around.

Haliburton News

Mr. Roy Potts was a recent visitor here to Haliburton.

Mr. and Mrs. Dean McKnight of Bow Island, Alberta, were guests recently of Mr. and Mrs. Melville McKnight.

Mr. and Mrs. Bill Harding of Toronto were visitors here over the weekend.

Mr. and Mrs. Bill Emmerson of Haliburton were weekend visitors to Toronto.

Mr. Jack Rule of Toronto was a visitor to Haliburton over the weekend.

Mrs. Doris Winter and Miss Laurie Brohm are at present vacationing in Florida.

Mr. and Mrs. Don Iles and Mr. and Mrs. Ken Wilson of Haliburton are on their way home following a week's vacation in Vancouver, British Columbia.

Eagle Lake News

Sympathy is extended to the family of the late Mr. John Arnberg of Beaverton. Mr. Arnberg was a member of a pioneer family and a highly respected resident of the community for many years. The funeral service was held in Beaverton, with interment being made in Bobcaygeon.

Sympathy also goes to the family of Mrs. Elmer Pearsell, whose death occurred recently at the Hyland Crest Senior Citizens' Home in Minden. The Pearsells were also former residents of this village.

Mr. and Mrs. Bert Bowker and family are visiting in England, and also on a trip to England are Mr. and Mrs. G. Dawson.

Mr. and Mrs. Lewis Roberts have returned from a visit with their daughter and her family in Denver, Colorado.

Mr. and Mrs. Jack Burke and family of Oshawa were weekend visitors with his parents.

Mr. and Mrs. Sam Filman and son are spending the winter in Santa Barbara, California.

Mr. and Mrs. Lorne Fry are visiting with the Jack Blewetts in Deseronto.

Mrs. Eric Kadoke spent a few days recently in Montreal.

Maple Lake News

Mr. and Mrs. Dyers, summer residents of our community, have closed up their cottage for the winter months and have returned to Oshawa.

Messrs. Fred Griffin and Russell Bain have been busily engaged in cutting the dead elm trees along the highway for winter fuel — all helping to beautify our roadside.

Mrs. Gladys Peck and Marian Johnston spent a day last week Christmas shopping.

Mr. Ed Barry is in Carnarvon at the home of Mr. and Mrs. Bud Thomas for the winter.

BIRTHS

John and Linda Beachli are pleased to announce the birth of their son Dalton Francis, born on Sunday, November 21, 1971, 7 lbs. 10 oz.; a brother for Derek.

MARRIAGE

Mr. and Mrs. Arthur Banks of Ridgetown, Nova Scotia, wish to announce the forthcoming marriage of their daughter Mary Elizabeth to Mr. William Ross Cowen, son of Mr. and Mrs. Norman Cowen. Marriage to take place at Fourth Avenue Baptist Church, Ottawa, Ontario, on Saturday, December 18, 1971, at 2:30 p.m. Everyone welcome.

AT HOME

Mr. and Mrs. Archie Stouffer will be celebrating their 50th Wedding Anniversary on Saturday, December 4, 1971, at Wig-A-Mog Inn, Haliburton. They will be pleased to meet old friends over tea or coffee during the afternoon from 2 to 4 o'clock.

DEATHS

ARNBERG, John Hunter - At Soldiers' Memorial Hospital, Orillia, on Thursday, November 25, 1971. John Hunter Arnberg of James Street, Beaverton, beloved husband of Gertrude Gould and dear father of Ethel (Mrs. Elmer Harrison) of Maple Lake, Ruth (Mrs. Ken Teasdale) of Eagle Lake, and Donald of R.R. No. 1, Caledon East; dear grandfather of 14 and great grandfather of three. Rested at the Funeral Chapel of Bullock & Pinkham, Beaverton, until Monday, November 29, where service was held at 1:30 p.m. Interment was made at Verulam Cemetery, Beaverton.

CARD of THANKS

I would like to express my sincere thanks to all those who sent cards and gifts, and who visited me during my illness in St. Joseph's Hospital. A special thanks to Dr. Johnston and Dr. Belch and the Nursing Staff on the 2nd floor.

Keith Brannigan.

On behalf of Branch 129, Royal Canadian Legion, Haliburton, Arn Pennycook, Chairman of the 1971 Poppy Campaign, thanks the citizens of the Haliburton - Minden district for their generous support of this campaign. Special thanks to all the boys and girls who volunteered their services as canvassers and contributed much to the success of the campaign. The Chairman thanks committee members Mr. Harry Cowan and Mr. Mel Carroll for their enthusiastic support, and also Branch members, the Ladies' Auxiliary, and all who contributed in any way to the gratifying results of this campaign and the Remembrance Day services.

IN MEMORIAM

WOODCOCK - In fond and loving memory of our dear brother, Charles Raymond, who departed this life on December 3, 1968.

In the book of life there are memories

Of happy days we knew,
And recorded in love are the blessings

Of a wonderful brother like you.
— Fondly remembered by his sisters Lenore, Ruth and Rose, and brother Wallace.

Contact KEN SANDERSON, 457-2220 or 448-2534.

Reverend David McGuire Passes, Church And Community Mourns

In a little more than two years, Reverend David McGuire had established himself as a powerful force for community betterment in Richmond Hill. His sudden, untimely death on Saturday evening, November 13, will be mourned by a wide circle of friends and parishioners of St. Mary's Anglican Church of which he was the rector. Sympathy of the community is extended to his wife Cherie, sons Mark and John, mother Mrs. Clyde McGuire, and sisters Mrs. Neil Mann of Richmond Hill and Mrs. David Munro of Scarborough.

Born in St. Catharines on July 22, 1929, Mr. McGuire was the son of Dr. and Mrs. Clyde McGuire. He was a graduate of Wycliffe College, being ordained as deacon in May of 1954 and as a priest a year later. He served as Assistant Curate at St. Timothy's Anglican Church, Toronto, from 1954 to 1957. The present Bishop of the Yukon, Rt. Rev. Henry Marsh, was rector of St. Timothy's at that time.

Mr. McGuire was appointed to his first parish at St. George's, Haliburton, in 1957 and served there until 1959. He then served from 1959 to 1969 at Christ the King Anglican Church, Etobicoke, being appointed to St. Mary's as of August 1, 1969.

A community-minded person, Mr. McGuire had been serving on the Mayor's Civic Improvement Committee and played a minor part in the establishment and continual development of the Youth Aid Centre, which helps young people with drug problems.

He was also responsible, in a large part, for the formation of the Richmond Hill Ecumenical Choir last year. This group is again in rehearsal and will be presenting Handel's "Messiah" at Christmas 1971. He worked tirelessly at creating and developing an ecumenical climate in the town with an exchange of ideas between different branches of the Christian Church.

An accomplished pianist, he served on the committee charged with producing a new hymn book to be used in both the Anglican and United Churches. This has been completed and is now in use at St. Mary's, the first church to be equipped with the new books which contain both words and music.

Mr. McGuire seized every opportunity to extend Christian education in the church and schools and was a member of a committee engaged in preparation of a program of Christian education for public schools. He also had strong views on the ways of developing the liturgy and wrote part of his own ordination service. This has been used at the ordination of other priests of the Anglican Church.

Appreciating the value of Christian tradition, Mr. McGuire was to preserve and refurbish the chapel at St. Mary's which had been built in 1872 and was used as the church until 1964. Under his leadership, it was planned to turn the chapel into a town museum for the year 1973, when Richmond Hill will celebrate its

Centennial, and then it will be arranged so that it can be used by the church and community to best advantage.

A busy man, Mr. McGuire was a member of the Diocesan Executive, on a number of Synod and Diocesan committees, and participated wherever he could in helping to shape the future of the church and community. He did not spare himself as he worked toward all these goals.

The body of the lamented and beloved rector was placed in the church at 5:00 p.m. on Monday, November 15, and hundreds of parishioners, friends and acquaintances visited the church between then and the time for the funeral service at 10:30 a.m. on Tuesday, November 16, while parishioners kept an all-night vigil in his honour.

Conducting the simple service was Rt. Rev. George Snell, Bishop of Toronto, who was assisted by Bishop Fred Wilkinson, Bishop Lou Garnsworthy, Bishop Henry Marsh and Rev. Fred Jackson, assistant rector of St. Mary's.

Active pallbearers were the church's two wardens, Robert Painter and Donald Fettes, and four fellow ministers, Rev. Father Clement Schwalm, Rev. Robert Smith, Rev. James Dauphinee and Rev. David Sproule. Honourary pallbearers were Rev. John Pounder; Rev. Neville Bishop of King City; Rev. Fred Ongley, Archdeacon of Oshawa; and Rural Dean Canon Reginald Howden.

The service was followed by cremation.

IN REMEMBRANCE OF REVEREND DAVID MCGUIRE July 22, 1929 - November 13, 1971

Then came the Fall:
Not violently, not even turbently,
Rather did she enter this year
almost shyly,
As though not wishing to intrude.
And yet we sensed her presence.

She fooled us not, we saw the
drooping corn,
The brown and gold-tipped leaves
Touched by her hand.
We knew her early call some chill
November morn
Would stamp upon the leaves
autumnal brand.

They fluttered in the chilling
breeze awhile,
Vainly holding on to that which
gave them birth;
When almost willingly they
loosed themselves,
And fluttered down to earth;
Each in its turn so we might
catch a better glimpse.

We must believe that Spring will
come again,
That when the saucy daffodils
brave the chilly air
And flaunt their lovely blooms —
we shall be there.
For with joyous cries we'll greet
another Spring,
And once again, dear David, we
shall hear the robins sing.

We must have faith that we shall
meet again;
That by His promise we shall see
you there:
Your earthly labours have not
been in vain.
God bless you, David — safe in
Jesus' blessed care.

TENDERS

Tenders will be received by the undersigned until December 13, 1971, for NO. 2 GRADE FUEL OIL for the year 1972 for all the Elementary and Secondary Schools in the County of Haliburton. Further information and location of the schools can be obtained from the Board Office. Oil preferred to be delivered out of school hours for safety reasons, and must be on an automatic delivery policy. Metered slips must be attached to invoices and sent to the Board Office for payment.

The lowest or any tender will not necessarily be accepted. Please mark "Oil Tender" on the envelope.

Address to: THE HALIBURTON COUNTY BOARD OF EDUCATION, Mr. James G. Leworthy, Business Administrator, Box 507, Haliburton, Ontario.

HALIBURTON COUNTY BOARD OF EDUCATION

TENDERS

Sealed tenders will be received by the undersigned until December 13, 1971, to SUPPLY A BUS AND DRAW SCHOOL CHILDREN from Eagle Lake via West Guilford to Haliburton Village schools. This route will commence on September 1, 1972. A 72-passenger school bus is required and it must meet all safety and mechanical fitness requirements according to the Department of Transportation and Communications regulations.

Please mark "Bus Tender" on the envelope.

Address tenders to:

THE HALIBURTON COUNTY BOARD OF EDUCATION, Mr. James G. Leworthy, Business Administrator, Box 507, Haliburton, Ontario.

The lowest or any tender will not necessarily be accepted.

Ontario - Canada

The government is my shepherd,
Therefore I need not work;
It alloweth me to lie down on a
good job,
It leadeth me beside the still
factories,
It destroyeth my initiative;
It leadeth me in the path of the
parasite
For politics' sake,
Yea, though I walk in the valley
of laziness and deficit spending
I will fear no evil
For the government is with me;
It prepareth an economic Utopia
for me
By appropriating the earnings of
my grandchildren;
It filleth my head with false
security,
My inefficiency runneth over;
Surely the government shall care
for me all the days of my life
And I shall dwell in a fool's
paradise forever.

News From Sir Sandford Fleming College

Registration Increased In College Evening Programs

Sir Sandford Fleming College statistics show an increase of over 40 per cent in subject registrations for continuing education courses offered in Lindsay, Peterborough and Cobourg, with an overall total of 2,874.

The most dramatic increase was in Lindsay, where registrations jumped to over 400 from a 1970 total of only 73. Interest doubled in credit subjects leading to certification in business and applied arts fields, and 271 registered in an expanded group of non-credit general interest courses.

In Peterborough, registration in business subjects showed a steady increase, while applied arts registration remained about the same as 1970.

Introduction of a new series of fine arts evening courses in Peterborough drew over 150 registrations that prompted the formation of two and three extra classes in subjects such as life drawing, creative photography and sculpture.

Peterborough totals include 130 registrations from the Peterborough Fine Arts Summer School held in July and 65 Curve Lake residents now involved in College courses being held in that municipality.

The only decline was noted in technical certificate subjects which were down about 25 per cent. Continuing Education Director Fred Anderson said although the decline had been expected in view of general provincial trends, it is hoped to stem the decrease with special technical programs geared to the needs of industry.

Cobourg evening registration increased about 50 per cent with a total of 322, with the increase largely in applied arts certificate subjects and general interest courses.

College Students Complete Construction Safety Course

Eight construction technician students at Sir Sandford Fleming College have passed a special safety course in one of the most potentially dangerous aspects of construction, rigging and hoisting.

The 15-hour Construction Safety Association of Ontario course covered the use of wire and synthetic ropes, knots, hitches, blocks and cranes. All eight received Association certificates.

"People get killed in this aspect of construction simply because someone along the line makes a mistake," explained College instructor Fritz Heilingbrunner, who taught the course. "Usually, the load falls or the crane falls, endangering everyone in the area."

The students were Doug Bateman of Toronto; John Ferguson, Joseph Vanderburg, Ben Viuhka and Bob Watson, all of Lindsay; and Glen Morrison, Graeme Rice and William Shorey of Peterborough.

Mr. Heilingbrunner said the course would enable students to supervise or do actual hoisting, fitting and rigging on their first permanent job, and would help them in their eventual roles as construction superintendents, when they will have overall responsibility for safety.

County Council

(Continued from Page One)

Dysart, and convey same to the Haliburton County Board of Education in exchange for that certain parcel of land composed of Part of Lot 33, Registered Plan 405, in the said Township, as described in Schedule "A" of Dysart By-Law No. 71-15. Carried.

As Secretary-Treasurer of the Land Division Committee, Mrs. W. Lahay presented a report which indicated that to date 369 Applications for Consent to sever land had been received since establishment of the Committee in March.

Moved by A. L. Lock, seconded by J. Elder, that By-Law No. 792, having been read a first time, and a second time in Committee of the Whole, be read a third time, passed and signed, and the Corporate Seal attached, being a by-law for the purpose of appointing C. H. Campbell to the Land Division Committee replacing George Finley who resigned on October 26th, such appointment effective this date for the duration of Mr. Finley's term which expires on January 1, 1974. Carried.

At 2:00 p.m. terms of reference for an appraisal of County Planning were given by Mr. W. A. Ferguson, Director of Planning with Totten, Sims, Hubicki Associates, who pointed out that it is becoming necessary for the municipalities to plan on a long-term basis how they wish to see this County develop. Moved by Chas. Brandon, seconded by Malcolm McGillivray, that we engage Totten, Sims, Hubicki Associates to proceed with a planning appraisal as outlined in the terms of reference submitted to the Council. Carried. The Clerk-Treasurer was requested to write the Department of Municipal Affairs regarding financial assistance for the appraisal, as outlined in the pertinent motion at the September Session.

Moved by S. G. Nesbitt, seconded by Lloyd Walker, that the Department of Municipal Affairs be requested to give authority to the County to approve plans of subdivision based on a set of regulations approved by both the Department and the County.

Mr. J. G. Mahoney of Canada Manpower attended the County Council meeting to clarify the Federal and Provincial Initiatives Programmes for which applications are now available, and he explained that such programmes are designed to promote employment, with a minimum of ten persons for a three-month period or thirty men for one month.

Mr. Robert Beeney, Chairman of the Committee of Management of the Hyland Crest Senior Citizens' Home, advised that expenses for the year have been in line with the projected budget, with no vacancies, and he read the annual report of the Administrator, Mrs. Elsie Bursey. Moved by Holly L. Sisson, seconded by Jim Elder, be it resolved that the report of the Hyland Crest Senior Citizens' Home be accepted. Carried.

Moved by Holly L. Sisson, seconded by A. L. Lock, that the minutes of general County Council meetings be published and presented in printed form, and minutes of committee meetings be presented loose leaf.

Questioning was raised regarding the Dysart Sewage Programme, and Reeve Roy Brohm explained the circumstances and details to the full satisfaction and assurance of Council.

Moved by Holly L. Sisson, seconded by J. Elder, that we adjourn until called by the Warden.
